

## DEFEAT QUESTIONS OF PUBLIC POLICY

### VOTERS DEFEAT TWO PROPOSITIONS FOR ADDITIONAL TAXES

Proposition for Tax for the Tuberculosis Sanatorium and for the Soldiers' Memorial Are Defeated by Large Majorities—Chiperfield, for Judge, Carried County

In the election in Morgan county Monday Claude E. Chiperfield as candidate for supreme court judge was given a very small majority over Justice Floyd E. Thompson, who is now serving. The unofficial returns give Chiperfield 3359, Thompson, 3348. The proposal for an additional tax for the county tuberculosis sanatorium was decisively defeated, the vote being 3316 against and 1806 for the tax. Even more decisive was the opposition to the proposal for a memorial building in honor of the soldiers. The vote was 4524 no to 1890 yes, and the proposal for the levying of bonds was lost 2404 to 809.

Opposition to these questions of public policy was widespread. While in a few Jacksonville districts the vote was favorable, in all districts outside of the city none of the proposals were looked upon with favor. A study of the returns indicates that the opposition to the soldiers' memorial was especially strong in the towns of the county.

### FOREIGN AFFAIRS COMMITTEE GIVES PRESIDENT POWER

To Have Master Hand in Disarmament Conference

(By The Associated Press)  
WASHINGTON, June 6.—By a vote of 14 to 1, with two Democrats voting present, the house foreign affairs committee reported today a joint resolution which would give President Harding the master hand in calling an international conference on disarmament.

Rejecting the same resolution it approved a year ago the committee concurred in the declared purpose of the president to call such a conference and sent its new measure to the house as a virtual suggestion to conference on the naval appropriation bill that it be accepted as a substitute for the Borah amendment requesting the president to call a naval disarmament conference of Great Britain, Japan and the United States.

Republican committee members with only one absentee stood together solidly on the resolution prepared by Chairman Porter. Taking up the Brooks resolution from the last congress reported but never acted on by the house, Representative Flood, Virginia ranking Democrat, fought to have it adopted again but found no Republican support. It would authorize and request the president to ask all the powers to send delegates to a disarmament convention. Chairman Porter in opposing it, explained that the purpose was to get away from any suggestion or direction by congress.

Leaders said the conference probably would report the Porter resolution as an amendment to the Borah amendment or as an out and out substitute.

### EVANSTON WILL HAVE AIRPLANE POLICE

CHICAGO, June 6.—Airplane police to regulate aerial traffic, assist in hunting down bank robbers and automobile bandits, and to patrol the lake front for persons and vessels in distress will be added to the Evanston police department it was announced today.

Two aerial policemen will be sworn in tomorrow. They will be given stars and authorized to make arrests. Their beats will be "in the air over Evanston."

### CIRCUIT CLERKS REPORT SHOWS INCREASED FEES

The semi-annual report of F. E. Wanamaker, circuit clerk and recorder, has been filed with the county commissioners. The report shows total receipts of the office thru fees of \$3,257.82. This is an exceptional report and the earnings of the office are shown to be greater than any preceding six months. The report shows receipts as follows:

Recording fees, \$1,858.17; clerk's fees \$1,004.45; miscellaneous \$155.20; circuit clerk attendance \$228; U. S. fees \$12; total \$3,257.82.

### FLOYD E. THOMPSON REELECTED JUSTICE OF SUPREME COURT

Incomplete Returns Indicate Election by Good Majority

(By The Associated Press)  
(SPECIAL TO JOURNAL)

Rock Island, June 7.—(3 A. M.)—Rock Island county 82 out of 83 precincts Thompson, 11,487; Chiperfield, 6,759. Mercer complete Thompson 1867; Chiperfield 2,486. Warren, complete, Thompson, 2,257; Chiperfield 2,697. Henderson given to Chiperfield by 400 majority. Thompson headquarters claim election by majority of 7,000.

While official returns were unavailable at press time, indications are that Judge Floyd E. Thompson had defeated Claude E. Chiperfield for justice of the Supreme court by a substantial majority.

Returns from the various counties in the district were meager and incomplete. Morgan county gave Chiperfield a small majority, the vote being between 50 and 75.

However, Cass county went for Thompson by a majority of 435 while Brown county went in Thompson's favor by 682 votes. Incomplete returns from Adams county indicated that Thompson would carry the county by 3,000 majority.

A forecast from Adams county placed Thompson's majority at 12,000. In conversation with Judge Samuel over the long distance telephone Tuesday night Mr. Chiperfield placed Thompson's majority at 2,500 to 3,000.

John W. Clary talked with Justice Thompson over the long distance phone Tuesday evening and stated that Mr. Thompson estimated his election by a majority of 10,000. The returns received from the district are given below:

**Warren County.**  
Monmouth, Ill., June 6.—Warren county complete gave Chiperfield 540 majority against Thompson in the fourth supreme judiciary district.

**McDonough County.**  
Macomb, Ill., June 6.—Complete returns in the election today of supreme court justice for the fourth district gave Thompson a majority of 35 over Chiperfield.

**Brown County.**  
Mt. Sterling, June 6.—In Brown county Thompson, Democratic candidate for the supreme court, was given a majority of 682 over Chiperfield, Republican candidate.

**Cass County.**  
Virginia, June 6.—Cass county gave a majority of 435 for Thompson, Democratic candidate for supreme court. The vote was Thompson 2085, Chiperfield 1650.

**Adams County.**  
Quincy, Ill., June 6.—Fifty-seven out of 68 precincts in Adams county gave Thompson 7,207; Chiperfield 4,639. Thompson's majority is expected to reach 3,000. The Democratic candidates for circuit judge will carry the county by 1,200. From reports received here Thompson will be elected by at least 12,000 in the fourth district.

**Christian County.**  
Taylorville, Ill., June 6.—Judges Thomas M. Jett and William B. Wright, with F. R. Dove, the third Democratic candidate in today's judicial election were elected over the Republican ticket by pluralities of approximately five thousand.

**Other Judicial Results**  
Harrisburg, Ill., June 6.—A tight vote was cast in the first judicial circuit today. The Republican ticket composed of William Butler of Cairo, D. Hartwell of Marion and A. E. Somers of Harrisburg was the only one in the field. Butler and Hartwell have served on the bench and were re-elected.

**Second District**  
Mount Vernon, Ill., June 6.—The sitting Republican judges in the second circuit, J. C. Eagleton, of Robinson, J. C. Kern, of Carmi and Charles H. Miller of Benton were re-elected today by a plurality of more than 10,000 over the Democratic candidates. Secretary of State Emmerson was chairman of the judicial committee in charge of the campaign.

**Fourth District**  
Pana, Ill., June 6.—Judges Thomas H. Jett, Hillsboro, William B. Wright, Effingham, and F. R. Dove, of Shelbyville, all Democrats, were elected as circuit judges.

### Mayor Thompson Has First Reverse

CHICAGO, June 6.—William Hale Thompson suffered his first reverse at the polls since his election as mayor in 1915, today, when a coalition judicial ticket swept Chicago today carrying every Thompson candidate to defeat.

A proposition for the issue of \$9,000,000 bonds for building a new jail was decisively beaten. Another proposal for free text books apparently carried by a small majority.

The most hotly contested judicial election in the city's history the balloting, was marked by the killing of a coalition watcher at the polls by a policeman, several small riots and many charges of fraud. According to police the slain man had used profanity in the presence of women voters and it was declared he was shot when he resisted arrest.

The Thompson candidates, all Republicans, were opposed by the Bar association and other civic bodies. Their selection was denounced as an effort by machine politicians to control the courts and resulted in the selection of the coalition, ticket comprising Democrats and Republicans. More than fifty per cent of the 900,000 voters registered went to the polls. It was the first judicial election at which women have voted.

**Attracted Wide Attention**  
Since his election six years ago Mayor Thompson has attracted nationwide attention. He refused to officially invite Marshal Joffre of France to Chicago at the time of his visit to the United States. At one time in 1917, he made a spectacular trip to the Pacific coast, hailed by his followers as a presidential candidate. He was formerly Republican national committeeman.

At the Republican national convention a year ago he supported Hiram Johnson and left the hall with his followers before the nomination of President Harding when the delegates refused to listen to his reading of several proposed planks for the Republican platform.

In the present campaign he was accused of trying to build up a political machine extending even to the circuit and superior courts.

The plurality of the coalition ticket was estimated on late returns to range from 20,000 to 40,000.

**NOMINATIONS MADE FOR C. & C. DIRECTORS**  
Tellers Announce Names of Men From Whom Twelve Directors Will Be Chosen—List Is Arranged in Alphabetical Order.

Tellers last night completed counting of ballots of the primary election to select candidates to be voted upon for directors of the new Chamber of Commerce. Twenty-four names representing those receiving the highest number of votes in the primary will be sent out by mail to the members today.

The names are arranged in alphabetical order without regard to the number of votes each one received. Twelve directors are to be chosen from these twenty-four names. The names follow: Andre H. Begg, Fred, Blackburn C. J., Caldwell H. L., Capps H. M., Chapin T. A., Crabtree E. E., Dial J. H., Frisch Henry, Barker J. H., Hopper Fletcher, Merrigan J. W., Ponius M. L., Randall L. F., Reeve J. J., Riley V. R., Rowe R. Y., Samuel H. P., Sullivan W. E., Tomlinson T. M., Walton J. W.

A perusal of the list will show the names have been selected from widely divergent lines of business and represent the best business talent and ability in the city.

Beginning tonight there will be three meetings held to write the program of work of the organization. It is important that all members attend these meetings take part in this work.

### THREE PERSONS BADLY INJURED

CHICAGO, June 6.—Three persons, two from Chicago, were badly injured and more than 30 passengers were shaken and bruised when four coaches on an inbound Michigan Central accommodation train jumped the track at Calumet crossing near Hammond, today. Mrs. Mary Dahler, Decatur, Mich., was injured internally and was taken to the Hammond hospital.

The accident was caused when the engine struck the frog at the state line interlocking tower. The engine held to the rails but the first four coaches were thrown into the ditch.

### FOUR INJURED IN AUTOMOBILE ACCIDENT

A car turned turtle late Sunday afternoon on the Springfield road seven miles east of Jacksonville, when four persons were injured. The occupants were Mr. and Mrs. Ewing Langford of Bluffs, and Mrs. O. E. Priest and infant child, living near Winchester. As the driver attempted to pass a truck the car went into a ditch and overturned.

Mrs. Priest had her left ear badly torn and her right arm fractured. In addition she had numerous cuts and bruises. Her husband and Mr. and Mrs. Langford were also severely cut and bruised. Almost miraculously, the baby escaped injury. All of the injured persons were brought to Jacksonville, where they were given surgical attention by Dr. A. M. King.

**MEMBERS OF S. S. CLASS CAMPING AT VALLEY**  
Members of L. S. Dodge's Sunday school class of the Congregational church drove to Valley City yesterday morning. There in company with Mr. Doane the boys will be in camp until Thursday. They took a complete equipment with them and will have a Ford car for any "side trips" they may wish to take.

### UNITED STATES SUPREME COURT CLOSES ITS TERM

Dismisses the Government's Appeal in the American Can Case

(By The Associated Press)

WASHINGTON, June 6.—The supreme court brought its regular term to a close today adjourning until October 3. Most of the justices plan to leave at once for their summer vacations.

Dismissal of the government's appeal on motion of Solicitor General Frierison from lower court decrees holding that the American Can company did not constitute a monopoly under the Sherman anti-trust and a decision against the government in the estate tax case marked the final day's session.

The solicitor general filed a motion to dismiss the appeal in the American can case but gave no reason. Later he explained the action had been taken because of the evident meaning of the court's decision in a similar case against the United States Steel corporation when it held that an "unreasonable restraint must be proved before the law could be invoked."

**Uphold Executors.**  
Execution of the estate of the late Alan H. Woodward of Alabama were upheld by the court in their contention that the estate tax assessed under the act of 1914 was an "allowable deduction" in computing the net income of the estate.

Conviction of Senator Newberry of Michigan on charges of violating the corrupt practices act was reversed in May and provisions of the act as they attempted to supervise state primaries, were declared invalid.

Union labor's chief interest in decisions in the past term was in the Duplex Printing Press company case the decision of which held sundry boycotts to be illegal. Original suits over boundaries between Arkansas and Mississippi and between Oklahoma and Texas were finally adjudicated and initial steps taken toward determining the disputed lines.

### OREGON REPLIES TO AMERICAN NOTE

First of Communications from Mexican President Received at State Department.

Mexico City, June 6.—The American state department is in possession of the first communication of a possible series of communications from President Obregon relative to the memorandum handed him ten days ago by George T. Summerlin, American charge d'affaires, relative to recognition of the Mexican government according to information today.

President Obregon's communication is not a definite answer in that it neither rejects nor accepts the idea of written assurances for the protection of American property and lives.

**JUDGES RE-ELECTED WITHOUT OPPOSITION**  
Springfield, Ill., June 6.—Judges Norman L. Jones of Carlinville, and Frank W. Burton of Carlinville, Democrats, and E. S. Smith of Springfield, Republican, were re-elected without opposition in today's election in the seventh circuit. The sitting judges were nominated by a non-partisan agreement.

Roger C. Chapin, Republican, was elected probate judge of Sangamon county to succeed C. M. Jenkins, who resigned to take a place in Governor Small's cabinet as director of the department of public welfare.

**GERMANS ARRIVE IN UPPER SILESIA**  
Paris, June 6.—Newspaper despatches from Silesia report the continual arrival of German defense organizations in upper Silesia. It is declared the situation there is becoming increasingly serious. A proclamation has been issued at Bouthen by the allied command, decreeing destruction for all houses in which machine guns are found.

**PLANS TO PURCHASE COLLEGE**  
Belfast, June 6.—Negotiations are proceeding for the purchase of Assembly College as the home of the new Ulster parliament. The college is being used to train students for the Presbyterian ministry.

**CHICAGO SENDS SUPPLIES TO PUEBLO**  
Chicago, June 6.—A steel baggage car filled with food, clothing and medical supplies was sent from Chicago today for the relief of the Pueblo flood victims. More supplies will be forwarded as rapidly as possible, it was announced.

James Casen, Jr., aged about ten years fell from a tree Monday afternoon and broke his right forearm. Dr. A. M. King was called and gave the necessary surgical attention.

### FIFTY TWO BODIES RECOVERED FROM FLOOD DISTRICT

Lieutenant Colonel Newlon Orders All Able-bodied Men to Work—Transportation is Said to Be the Greatest Need at Present—Unable to Reach Cemeteries to Bury Bodies

(By The Associated Press)

PUEBLO, Colo., June 6.—After a day's search thru the debris in the flooded districts of Pueblo, 52 bodies had been recovered tonight. These include 42 in the morgues and ten recovered on the St. Charles Mesa.

With the issuance of an order by Lieutenant Colonel Newlon in charge, under martial law, drafting every able-bodied man for labor, the work of cleaning up is progressing rapidly.

Scrapers are at work in the streets in the business section and clearing away the mud. Debris is being removed preparatory to being carted away.

The order which puts everyone to work provided pay of 43 cents an hour. Those who refused are subject to work and will be put to work without compensation. Tourists and sightseers have been ordered to leave town.

The only official estimate of damage from the flood was one of \$5,000,000 by the Pueblo manufacturers' association. Other estimates vary from \$10,000,000 to \$15,000,000.

**Transportation Greatest Need**  
Transportation, east and north from the city is declared to be the greatest need. Governor Oliver H. Shoup today telegraphed Senators Phillips and Nicholson to make every effort to get an appropriation of \$20,000,000 to the state to repair tracks and rebuild bridges on the lines entering from these directions.

The senators replied that they did not feel they could consistently make such a request for federal assistance until facts and conditions have been more definitely determined.

A report from the Nuckolls Packing company that 50 bodies had been recovered at Boone, on the river about 20 miles east, is unconfirmed.

"Whatever figure the death list finally reaches, not half the bodies of the victims will be recovered," R. G. Breckenridge, president of the Pueblo Rotary club said today. He based his statement on peculiarities of the river channel and the drifting of mud over the flooded areas.

**Can't Reach Cemeteries.**  
All recovered bodies are being held in the morgues. It will be impossible undertakers say to bury the bodies for several days, roads to the cemeteries being impassable.

Rain again began falling this afternoon and J. E. Moorhead, secretary to the governor, made the paradoxical statement that it was a blessing to the stricken city. Should the city dry up too rapidly before the debris and mud are removed from the flooded districts there would be disagreeable odors and probable menace to the health of the population.

While the list of known dead grows slowly, several reports to the undertakers indicate that other recoveries may be made when the waters recede further. W. B. McKim, of the McKim Undertaking parlors said he had received a report that 16 bodies had been washed up at a place five miles east, known as the Moroney farm. Rescue and reconstruction work is being systematized under the direction of Colonel Patrick Hamrock, adjutant general of the state and chief in command of the military. The city has been divided into wards and physicians and nurses assigned to the various wards for the emergency case and to instruct the residents in proper sanitation precautions during the abnormal conditions.

There is no danger of a food shortage, it is said, but the supply being conserved. All restrictions on the purchase of gasoline and oil have been removed.

**Orders Out New Troops.**  
Lieutenant Colonel Newlon today ordered out the rifle companies at Brush, Fort Morton and Brighton to augment the troops doing guard and police duty in Pueblo.

A work train of the Denver & Rio Grande railroad from Colorado Springs approached to within four miles of Pueblo from the north this afternoon.

A relief train with supplies for the flood sufferers left Fort Logan, Colo., this afternoon, according to a telegram to Colonel Hamrock from Colonel Caples at Fort Logan, in command of the relief expedition. It is expected to arrive here tomorrow, the telegram stated.

A carload of provisions, the gift of the people of Utah to the Pueblo flood sufferers was sent from this work, the telegram stated.

Pueblo needs \$1,500,000 for this work, the telegram stated.

### TELL OF BUSINESS DRIVEN OUT THRU BUSINESS AGENTS

Left to Escape Grafting of Union Leaders Say Witnesses

(By The Associated Press)

CHICAGO, June 6.—Business firms, factories and manufacturers have been driven from Chicago to the operations of labor union business agents, according to witnesses before the Daily legislative committee investigating building graft.

One big can company was forced to leave the city, one witness testified today and other firms after looking the situation over in Chicago decided to locate their factories elsewhere that they might escape the grafting of labor union leaders.

Another witness asserted that graft payments, loss of business, maintenance charges and delays cost one firm of moving picture theatre owners \$250,000 in three years. Thus the witness said the cost of one theatre had mounted from \$50,000 to \$1,000,000 mainly thru labor troubles, delays and increased cost of materials.

Simon O'Donnell former president of the building trades council was named when this commission obtained certain bank records which were declared to prove the payment of large sums to him.

### BELOIT PASTOR HAS RESIGNED

Beloit, Wis., June 6.—The Rev. Almon O. Stevens, for the past seven years pastor of the Second Congregational church of Beloit has resigned to accept the pastorate of the First Congregational church of Austin, Texas. It was announced today.

Salt Lake City today, Colonel Hamrock said. The train bringing 125 tents, 2,250 blankets, 1,750 bed sacks, three baggage cars loaded with tent blankets and cots will be started to Pueblo from Fort Logan Tuesday morning.

Rehabilitation of the telephone service, almost completely disrupted is to begin immediately. The military authorities today granted permission to the telephone company officials to strim temporary wires to connect important points in the city. A communication between the north and south sides of the city has been down.

Late estimates of the total damage and crop loss from the flood at \$20,000,000 in a telegram from the Pueblo Commercial club Governor Shoup. Damage to Pueblo city and county will reach six or eight million dollars, it is estimated.

The federal government appropriates \$5,000,000 of which \$2,000,000 has been made available immediately for improving the Arkansas and Mountain river levees on moving debris from the damaged cities.

Pueblo needs \$1,500,000 for this work, the telegram stated.

## INCREASED TAXES NOT POPULAR

The proposal to levy an additional tax for the establishment and maintenance of the county tuberculosis sanatorium was defeated yesterday by a vote of 3316 to 1806. This vote should not be interpreted as meaning that the people of Morgan county are opposed to the tuberculosis plan. The proposition could not have been

submitted at a worse time for securing favorable action. Just now with business conditions unsatisfactory in both city and county, the people are sensitive about taking any action which will increase their taxes.

The fact that about \$120,000 has thus far been invested in the tuberculosis sanatorium property without putting any part of the institution into condition to receive patients, no doubt had something to do with the result. The county is not in position to furnish money from the general fund to complete the sanatorium, and it is now a question as to just what course will be followed to put the sanatorium into working condition.

It is said that within the past few weeks a representative of the U. S. government visited the sanatorium and said that the government would be willing to purchase the property, paying the county dollar for dollar on the expenditures made, the purpose being to use the institution for the care of tubercular soldiers. If it is true that such an offer was made, possibly it will be the best course for the county to sell this property to the government and with the funds build a smaller institution. It is also possible that a part of the property could be sold and sufficient funds thus secured to complete the building. However, a considerable fund will be necessary for maintenance, and a sale of part of the property would not provide for this contingency.

The proposal for a memorial building in honor of soldiers and sailors and for the issuance of bonds, also met decisive defeat at the hands of the voters. The matter of increased taxation brought defeat to these proposals. There was the added fact of opposition from the ex-service men themselves—that is, those resident in the towns of the county or in areas not immediately tributary to Jacksonville.

## AWAY TO MEREDOSIA

Yesterday Rev. George E. Stiekney, pastor of the Congregational church, accompanied the members of the girl's campfires to Meredosia for an outing of a week. In the absence of Mrs. F. J. Heintz who is in Cincinnati, Mrs. W. T. Wilson, Mrs. L. S. Doane and Miss Risco went along and all will unite in having a happy and useful time for a week when the girls will return home and the boys will have their time by the river.

## HOME FOR VISIT

Bernard Sheehan is here from Minneapolis for a brief visit at the home of his mother, Mrs. Ella Sheehan, on Morton avenue. The visitor is now employed in Minneapolis and will attend the university there this fall. During the war time he served overseas with the twenty-third engineers, and was then with the army of occupation, returning to the U. S. last July.

## WINCHESTER PROPERTY IS SOLD AT AUCTION

Several Properties Sold at Public Auction Monday-Miss. Madeleine Haine-Decker to be Married in St. Louis Wednesday. Other Winchester News.

Winchester, June 6—Several properties were sold at public auction Monday afternoon on the community high school site. Lloyd Sealey was the auctioneer and John C. Moore served as clerk. ## H. G. KEPLINGER DIED SUDDENLY MONDAY

Well Known Franklin Banker Passed Away—Resident of the County Many Years.

Death came to Hardin G. Keplinger of Franklin Monday morning at 11:30 o'clock almost without warning. For more than a year Mr. Keplinger had been in failing health but his condition had not been accounted acute. The deceased was one of the best known citizens of Morgan county. His death occurred at the home of his daughter Mrs. W. T. Dodsworth.

Hardin Green Keplinger, son of Samuel and Permelia Green Keplinger, was born on a farm one mile northwest of Franklin, Nov. 25, 1829. Died at home of his daughter, Mrs. W. T. Dodsworth, near Franklin, June 6, 1921.

After attending the public schools he attended Illinois college at Jacksonville and was in his senior year when the Civil war broke out. He at once enlisted in the "Hardin Light Guards" which was attached to the 10th Illinois Infantry as Co. B. Serving in this company for ninety days, he re-enlisted in the 32nd Illinois Infantry. Later he was assigned to the 122nd Illinois Infantry and remained with this regiment until the close of the war, serving through the conflict from beginning to end. He was wounded in the battle of Shiloh and also in the death of Corinth.

Returning home he settled on a farm of his own near the old home and Oct. 2, 1867, married Miss Mattie Bell daughter of Jeremiah Bell, of Jersey county. Three children born to this union all survive: Maurice Bell Keplinger and Mrs. Lulu Dodsworth of Franklin, and Mrs. Birdie Shepherd of Oakland, Cal. Mrs. Keplinger passed away June 27, 1875. Mr. Keplinger also leaves six grandchildren, two brothers, Lewis W. Keplinger of Kansas City, Kan., and M. L. Keplinger of Carlinville, and one sister, Mrs. John W. Smith, of Kidder, Mo.

Mr. Keplinger was a member of Wadley lodge, No. 616, A. F. & M. of Franklin, and so long as that organization existed was an active member of J. B. Dunnean post, G. A. R., serving as its commander. He had also been president of the village board and in various ways aided in the development of his home community.

He was a regular attendant of Franklin M. E. church and one of its most liberal supporters. He was one who was always found ready and willing to aid in any worthy cause.

Announcement of the funeral services will be delayed pending advice from the daughter in California. Friends are asked to omit flowers.

## PRETTY WEDDING AT WAVERLY CHURCH

Miss Vincent Spaenhower becomes Bride of Russell Thorne Monday Evening—Will Reside in New Mexico.

A very pretty wedding occurred at Christ Episcopal church in Waverly at 8 o'clock Monday evening, when Miss Vincent Spaenhower became the bride of Russell Thorne. The ceremony was witnessed by a large company of relatives and friends of the young people, both of whom are well known in the Waverly community. The service was read by Rev. G. E. Child, rector of the church, and the impressive double ring ceremony was used.

Preceding the ceremony Miss Ethel Carter, a cousin of the bride, sang very sweetly, "I Love You Truly." The bride and groom entered the church to the strains of Lohengrin's wedding march, played by Miss Jessie Spaenhower, a cousin of the bride. The ring bearers were Andrew and Harold Crum and the ushers were Lilla Burns and Clarence Wemple.

The bride wore a handsome gown of voile and white net and carried a bouquet of bride's roses. Immediately after the ceremony the bride and groom left for Jacksonville en route to Kansas City for a brief wedding trip. After July 1 they will be at home in Silver City, New Mexico, where the groom holds a responsible position.

The bride is the only daughter of Mr. and Mrs. Amos Spaenhower, well known residents of Waverly. She is a graduate of the Waverly township high school and for the past two years has been a teacher in the grade schools. She is a young woman of charming personality and numbers her friends by the score.

Mr. Thorne is a son of Mr. and Mrs. J. M. Thorne, long time residents of the community. He also is a graduate of the Waverly high school and during the world war spent two years in the overseas service. He is a young man of unusual ability and has the esteem of all who know him. The many friends of Mr. and Mrs. Thorne unite in extending hearty congratulations and good wishes.

## I. W. C. TRUSTEES IN ANNUAL SESSION

Reports Presented Gave Evidence of Satisfactory Growth—James E. MacMurray Re-Elected President—T. A. Chapin is New Trustee.

The annual meeting of the board of trustees of Illinois Woman's college was held Monday with an unusually large number of trustees and official visitors of the college present. The reports from different departments were presented and were all of a kind to show the continued prosperity and growth of the college.

President Harker was able to report that the commencement goal of \$250,000 toward the endowment fund had been reached. Further details with reference to this fund will be included in the president's statement at the commencement exercises today.

The president made special mention of the services of Dr. T. J. Pitner and Edmund Blackburn, long members of the board and now deceased, and told of the inspiration that had come to him through years of association with these men. Members of the board also paid tribute to the life and works of these men.

The report of the conference visitors was made, signed by T. H. Tull, V. Gowdy, G. T. Wetzel, G. W. Randle, C. R. Morrison, C. E. Buker, R. H. Crowder, W. I. Terhune and F. M. Rule. This report was presented by Rev. G. W. Randle.

Mrs. W. A. Fay made the report for the Alumnae association, indicating the intention to organize a Jacksonville chapter with the thought of being of some special use to the college in the days to come. The board appointed Rev. G. W. Randle to make a report to the college at the annual conference and Rev. C. R. Morrison to make reports for the church paper.

President Harker presented the name of T. A. Chapin as a member of the board of trustees and the name was approved. The matter of selecting other trustees was left to the executive committee. All trustees so selected must be submitted to the annual conference. The board selected James E. MacMurray of Chicago, president; Joseph H. Harker, vice president; E. E. Crabtree, trustee; and A. C. Metcalf, secretary. The executive committee chosen includes Mrs. Mary H. Blackstock, Springfield; James E. MacMurray, Chicago; Rev. E. L. Pletcher, E. E. Crabtree, Mrs. Belle S. Lambert and J. R. Harker, Jacksonville.

Among the present for the meeting were in addition to the ministers and laymen already mentioned above were Dr. C. E. Welch, Westfield, N. Y.; Mrs. F. H. Rowe, Mrs. Lillian King, Mrs. James E. MacMurray, Charles P. Gillett, H. M. Andre, F. J. Blackburn, C. C. Grimmett.

## A PLEASANT RIDE

Sunday, Mr. and Mrs. George Harney and Mr. and Mrs. J. P. Brennan enjoyed a delightful auto ride west and south of the city. Rigston was the first objective point and going west they took the road south to Winchester and then to Alsey, taking in some very attractive scenery on the way. All along they found flourishing wheat fields and many evidences of prosperity. From Alsey they drove to White Hall where they enjoyed some refreshments and then came on home through Roodhouse, Manchester, Murraville and Woodson, terminating a lovely and extended ride.

## CATHOLIC EDUCATION IS SPEAKER'S THEME

Very Rev. Albert Muntzsch of St. Louis University Delivers a Strong Address to Routt Graduating Class.

Respect for authority, a sense of responsibility, and the realization of the dignity of labor, are the fundamentals of Catholic education said Very Reverend Albert Muntzsch of St. Louis university in his address at the Routt College commencement last evening.

"Educators, no less than sociologists, political economists and statesmen are aware of the 'changing order' that has become the dominant note of the time. If the sociologist is confronted with a bewildering mass of new schemes for 'social uplift,' if the politician must wrestle with initiative, referendum and recall, the pedagogues is rudely awakened out of his placid dreams by strange phrases—Montessori methods and vocational guidance, electives and part-time courses."

As far as these demands for changes in programs of study make for solid results, and have won the approval of experienced educators, those in charge of Catholic schools have favored them. But in one respect the teaching and raising imparted in Catholic schools have suffered no change. Despite the shifting of values in certain studies, and the emphasis now placed upon "preparation for life," the directors of our Catholic institutions of learning have always inculcated the principle of responsibility, responsibility of God, to moral duty, to the still, small voice of conscience, to the State and to one's family. This is a principle which Catholic educators have ever considered of great importance. They hold that the educated man is charged with a new and important duty especially in time of social upheaval like the present, and when strange prophets preach a 'new morality.'

**Respect for Authority**  
Hence, while educational methods have been revolutionized during the last half century, Catholic educators have stood fast to essentials. They have ever remembered their solemn duty of laying up moral power in those entrusted to their charge against the day of weakness and temptation. This they have done by explaining the principle of responsibility which should distinguish the cultured and truly educated man. The duty of Catholic teachers in this respect is all the more noble and important because so many false prophets have arisen, who strive to break down the moral law and viciously attack this doctrine of responsibility to God, to His Will and commandments, to Christ and His church.

"A second principle which Catholic pedagogues have written on their program is that of respect for lawful authority. While it is proper that students, especially in colleges and universities, should be entrusted with some share in 'self-government,' and 'should have a voice in deciding matters which bear on their scholastic, athletic or social interests—yet the principle of authority must be maintained. Students after all, no matter what their powers for influencing their equals, or their aptitudes for leadership in the class room or on the campus, are subject to those who have the duty and privilege of being their guides and teachers. No foolish talk about the rights of self-government can change this fact.

"It is worth while today to insist strongly on the principle of respect for authority. For in this matter, too, many false prophets have taken their stand in the market place and shouted 'autonomy'—the right of every one to be a law unto himself. We have seen sad results in some colleges where young minds took this 'prerogative' too literally and proceeded to act upon it.

"We are pleasure mad, the love of sensation, and the mad rush after pleasure is taking us from the work of the world, and production is lagging. It is no wonder that our insane asylums are full, that new names for old diseases are put forth. The world must come back to normal, to sanity, and decency, and that can only be when we realize the dignity of labor and recognize all kinds of labor that make for social progress, the manual, and the intellectual.

"These three principles are the foundation of Catholic education and the institutions that instill them into the youth of today are worthy of your support."

Following the address there were two numbers by the Glee club after which Very Reverend F. F. Formaz made an abbreviated report of the college year and presented the diplomas and conferred the degree of B. A. upon Ralph Sacher and William S. Ehnie, Jr.

The program was as follows: "Dawn" (Tschakowsky); "The Dawn is on the Clover" (Coombs) Morning (Speaks)—Glee Club. Commencement address, "The Fundamentals of Catholic Education"—The Very Reverend Albert Muntzsch, S. J. Ingle Nook (Nevin); Springtime (Watkins)—Glee Club. Degrees—Ralph Sacher, William S. Ehnie, Jr.

## FAIR DIRECTORS APPROVE CATALOG

The board of directors of the Morgan County Fair association met Saturday afternoon in the Farm Bureau office to inspect and make the final arrangements for the printing of the catalog and premium list.

Mr. H. J. Rucker, assistant farm advisor, has been at work for several weeks getting the list and catalog in shape. It will contain about one hundred pages of reading matter which will be of interest to farmers and other producers in the county.

There will be no races this year on account of finances but if the fair proves a paying proposition this fall there will be speed events in 1922.

The will of the late Mrs. Martha Morgan of Franklin was filed for probate Monday in the office of County Clerk Riggs. The will was drawn Oct. 19, 1920. Mrs. Morgan left all of her personal estate to her daughter, Mrs. Lulu Shaver, who is named as executrix of the will. The witnesses to the signature were Ellie Trambarger and Estella Staff.

Mrs. Mattie Weiskops and Mrs. Harry Anders and two children left yesterday for Shenandoah, Ia., to visit relatives.

## PILGRIM LEGION MEMBERS

There was an interesting feature of the program Sunday at the Congregational church when the Maltese Cross was pinned on a class of thirteen members who had acquired the necessary 90% for membership. The members are selected from the junior, intermediate and high school members of the school and the awards are on the following basis:

Class work 60%.  
Attendance 20%.  
Home work 10%.  
Church attendance 10%.

The basis of church attendance is half the Sundays. When a candidate has worn the pin five years a gold Maltese Cross will then be given.

In September a class banquet will be held and only members may attend.

Those receiving the cross Sunday were James Merrill, Abbie Lee Young, Edna Mae Weaver, Janet Capps, Caroline Doane, Elizabeth Johnson, Edith Putnam, Elizabeth Scott, Lavina Scott, Doris Lindeman, Catherine Wilson, Ruth Leavenworth and Josephine Milligan.

## BAPTISTS GIVE TO SPECIAL CHURCH FUND

Local Church Aids Liberally in Missionary Effort Termed New World Movement.

Officials of the First Baptist church in this city are well pleased with the showing which the church is making in contributing toward the New World Movement, which was inaugurated sometime ago in the Baptist denomination of the North.

C. H. Story, treasurer of the local church, reports that during the past few months the church has averaged about \$200 a month for missions. At this rate, the members are giving for missionary purposes an amount equal to that given for local expenses. The total amount pledged by the Baptists of the Jacksonville church was \$12,000, the payment to be distributed over a period of five years. Thus far payments are being made without difficulty.

A. E. Peterson, state director for the Baptist board of promotion for the New World Movement, recently issued some statements, showing results of the movement throughout the state, giving some idea of how the various churches are meeting their obligations.

The reports show a great victory, for though all the subscriptions were not paid, sums were received from churches that had not reported subscriptions, which more than cover the amounts unpaid on pledges. The figures are as follows:

Amount due on subscriptions May 1, 1921, \$615,556.62.

Amount received at State Promotion office, \$31,770.13.

Amount received at Shurtleff college, \$100,355.58.

Amount received from jubilee fund, \$13,758.98.

Credits reported from New York, \$9,300.

Total, \$655,184.69.

Word from New York indicates that approximately 84 per cent of the amount due this year on the entire fund for the New World Movement has been paid, being between ten and twelve million dollars. For a year marked by financial depression this is considered a remarkable record.

The Baptist New World Movement has been confused with the Inter-Church Movement, but the latter was composed of all denominations, while the former is a name given to the work of all Baptist Missionary organizations for a period of four years.

The class of '20 of Illinois Woman's college held a reunion breakfast yesterday morning at Colonial Inn. About fifteen members of the class were present. Miss Mildred Funk of Winchester is president of the class.

## Miss Capps Hostess at Dance

Miss Eloise Capps gave an informal dance last evening at her home on Park street. It was in honor of some Illinois College friends of Miss Capps, who will soon leave for their homes. The time was pleasantly spent in dancing and during the evening dainty refreshments were passed.

## PROF. ESCHER HERE FOR I. C. COMMENCEMENT

Prof. Escher who taught Spanish and French at Illinois college 1919-1920 and who has been teaching in the Rice Institute at Houston, Texas, during the past year, is in the city for a visit with friends during the commencement season.

Mrs. Ralph Hall was up to the city from Bluffs yesterday.

Her graduation—the milestone that simply MUST be marked with a picture.

## Personal Service

Few if any professions demand the quality of service which marks one mortician above another in this calling which has ever to deal with sadness, he must be quietly sympathetic, yet ever keen to handle unobtrusively a maze of details.

Our plan of keeping in close and personal touch with every service entrusted to our care explains in part, the success which has attended our efforts.

## FLOYD E. THOMPSON REELECTED JUSTICE OF SUPREME COURT

(Continued from Page One.)  
 Judges in the fourth judicial district after one of the hottest judicial campaigns ever waged in the district.

**Fifth District**  
 Mattson, Ill., June 6.—Augustus A. Partlow, Danville, John H. Marshall, Charleston and Walter Brewer, Paris, were elected as circuit judges in the fifth judicial district on the Republican ticket. There was only one ticket in the field and the lightest vote in years was cast throughout the district.

**Sixth District**  
 Decatur, Ill., June 6.—James S. Baldwin, Republican, Decatur, was elected to the circuit bench and Judge Franklin H. Boggs, Champaign and Judge George A. Sattel, Sullivan, Republicans, were returned in the sixth district today. There was no opposition and the vote was light.

**Tenth District**  
 Peoria, Ill., June 6.—The sitting judges in the tenth judicial district have been continued in office according to returns from half of the precincts.

Judge C. V. Miles of Peoria, Republican, is leading the field with 8,370 votes. The other apparent winners, both Democrats, are Judges T. N. Green of Pekin and J. M. Niehaus of Peoria. The contesting candidates, Charles Schafer of Pekin and John W. Flinn of Wyoming, both Republicans, are apparently out of the race.

## RED CROSS EXECUTIVE BOARD MEETING

Reports Made Monday Night Show Active Work in Progress.

A meeting of the Red Cross executive board was held last night at the public library with a large attendance. Miss Grace Carter made a report for the nursing activities committee, including some special facts about the clinic recently held for crippled children. Dr. East was present with two assistants and a brace-maker, and 26 children were examined. Miss Riecke took part in this clinic and Miss Ryman, public school nurse, assisted in taking the records. It was stated in the report that it is the intention to have a Red Cross day in connection with the chautauqua.

A first aid tent will be maintained on the grounds and there will be demonstrations in several lines of work. It is the further expectation to conduct classes in nutrition, considering matters of hygiene and diet for the sick.

## GAVE RECEPTION FOR CHAPIN RESIDENTS

Mr. and Mrs. Charles Lettze Given Farewell Reception at Christian Church Monday Evening—Are Soon to Leave for Manchester.

Mr. and Mrs. Charles Lettze were tendered a farewell reception Monday evening in the basement of the Christian church at Chapin. The company included about 100 members of the congregation and friends of the guests of honor, who are to leave Thursday for their new home in Manchester.

The evening hours were spent in a delightful informal manner and delicious refreshments were served, consisting of sandwiches, salad, pickles, coffee, ice cream and cake.

Mr. and Mrs. Lettze have made hosts of friends during their residence in Chapin and have faithfully served the church in every capacity. The community is loath to lose them, but all unite in wishing them happiness and success in their new home.

Members of Mrs. Lettze's Sunday school class presented her with a handsome piece of silverware as a token of their esteem and love.

Mr. Lettze who has served most acceptably as principal of the Chapin high school, goes to Manchester to accept the position of assistant cashier in the bank there.

Among the out of town guests at the reception were R. D. Omer, Helen and Robert Omer of Herin, Ill., former residents of Chapin.

## PLEASANT GATHERING AT HOME IN ASHLAND

A number of Morgan county residents went to the home of Mr. and Mrs. Ira H. Barrow in Ashland Sunday and spent the day with them. The guests took along with them well filled baskets of good things to eat and at noon a sumptuous dinner was served. The hours afterward were spent in a pleasant social way and at a late hour all departed for their homes. Mr. and Mrs. Barrow and son formerly resided in the county and have a host of friends in their old home community.

Among those present were Mr. and Mrs. Thomas Irlam and Mrs. John W. Irlam and children of Murrayville; Miss Jane Irlam, Mr. and Mrs. Charles E. Irlam and Mr. and Mrs. Allan Russell and children of Midway; Mr. and Mrs. Lloyd Darwent and son, Mr. and Mrs. Thomas Butler and daughter of Woodson; Mr. and Mrs. H. Blinding and children, Mr. and Mrs. M. L. Watts and sons, Roy and Paul of Markham, and Mr. and Mrs. S. A. Gunn of Jacksonville.

## I. S. D. WILL PLAY

**SPRINGFIELD, H. S.**  
 The School for the Deaf and Springfield High school will play the last game of the season on the Illinois College diamond this afternoon at 8:30. Coach Harmon will umpire.

This is the first baseball team that the School for the Deaf has had for several years and under the coaching of S. R. Burns it has had a successful season considering. The game should be a good one.

The faculty of Illinois college is planning to hold a picnic this afternoon.

Born Monday evening to Mr. and Mrs. Jess Tarzwell, from east of Woodson, a son at Our Saviour's hospital.

Andrew Mendenhall, of the class of '20 Illinois College has been visiting with friends in the city for a few days.

Rev. and Mrs. J. O. Kirkpatrick of White Hall visited city friends yesterday.

## "CUPPLES" Red Inner Tubes

Cupples Inner Tubes are LAMINATED and built after a method that is more expensive but offers the greatest protection against flaws of any kind.

They are made up from thin sheets of the finest quality of rubber which, when vulcanized together, produces a perfect air-retaining tube. This laminated construction guards against porosity, pin holes, and defects of every kind.

Cupples Inner Tubes do not leak, seep, or creep—they are considerably heavier and stronger than the ordinary inner tube. Insist upon getting Cupples. You will have less trouble and lower tire cost.

We handle Cupples tubes and tires, the tires that won't sand blister, nor separate.

## ALUMAE ASSOCIATION IN REGULAR MEETING

Annual Supper Served in Centenary Church—Business Meeting With Reports and Election of Officers

The Illinois Woman's college Alumnae association held its annual supper last evening at Centenary church at 5:30 o'clock. Over a hundred alumnae, students, faculty and trustee members were present. An excellent four course supper was served by the Ladies' Aid society of Centenary church.

After the supper the meeting called to order by the president of the association, Mrs. Paul Thompson, who spoke a few words of greeting. The regular annual business session was then held and Mrs. A. B. Applebee, secretary, read the minutes of last year's meeting held in May, 1920. Mrs. Bertha Jones, faculty advisor of the class of '21, then in a few well chosen words presented the senior class to the alumnae association. Mrs. Annette Rieck Lohman then gave a greeting to the new seniors and Isabel Woodman, as president of this year's class, gave the response.

Mrs. Gilbert then made the treasurer's report. She reported a total receipt during the past year of \$119.00. Expenditures were \$7.95, leaving a balance of \$111.05.

The report from the memorial fund treasurer showed that four of the seven college presidents had been completed. Those in honor of Presidents McCoy, Adams, Short and Harker are complete. The reports on the professorship endowments showed that the chair of English and Literature in honor of Dr. Short, and that of Bible and Religious Education in honor of Dr. Harker, have an endowment of \$6,820 and \$3,430, respectively.

Mrs. Lillian W. King then made a motion that Mrs. McMurray and Mrs. Blackstock be placed on the roll of honorary members of the association. The motion was unanimously carried.

Mrs. W. A. Fay then gave the report of the nominating committee and the recommendations of this committee were unanimously approved.

Officers are Elected  
Miss Vera Wardner is president of the association for the coming year and the other officers are as follows:

First vice president—Mrs. Helen Keys.

Second vice president — Mrs. Paul Thompson.  
Recording secretary—Mrs. Annette Rieck Lohman.  
Corresponding secretary—Miss Lois Couts.  
Treasurer—Mrs. Louise Moore Gilbert.  
Treasurer of memorial funds — Mrs. Belle Short Lambert.  
Directors — Mrs. Nannie B. Botkins, Miss Neil Taylor, Miss Marian Jane Robison, Miss Irene Wootton Thompson.  
Trustees—Mrs. Marietta Mathers Rowe, Mrs. Letta Irwin Shonle.

The annualist's report was then given by Miss Betty Bothwell. She gave interesting news of what alumnae members have been doing this past year, showing the varying activities in which I. W. C. students are engaged in all parts of the world.

Dr. Harker then spoke of the joy he felt in seeing so many former students here for commencement. He said that the outlook for the college was never so bright as at present. He spoke of the two great honors which the college has received this year, namely: Admission to the Association of American Colleges and Universities and the American Association of Collegiate Alumni. In closing he urged an even stronger organization of college alumnae.

After greeting the incoming officers for next year, the meeting adjourned.

Special guests at the meeting were: Mr. and Mrs. James E. McMurray of Chicago, Dr. Welch, Miss Austin, Miss B. M. Jones, Mrs. Blackstock and the members of the senior class.

**SENIORS OF I. W. C. PRESENT PLAYS**

Gave Annual Class Day Yesterday in Music Hall.

The Senior class of Illinois Woman's College presented a very charming and interesting program at the annual class day exercises held yesterday afternoon in music hall.

The program was opened by Miss Olive Engel who played two organ numbers with her usual sympathetic feeling. Her numbers were:

"Will of the Wisp." by Novin.  
"Nocturn in B minor, by Foote.  
The next number was the little play with a moral called "Three Pills in a Bottle," by Rachel Lyman Fields. The play had been worked out by the girls themselves and their presentation was full of real dramatic interpretation.

Sue Wade took the part of Widow Sims, the mother of Tony, the little same boy, played by Mona Ramsey. The "friends" of the little boy who came to play with were:

The Gentleman—Cora Cherry.  
The Gentleman's Soul—Mildred Keys.

Scissor Grinder Man—Margaret Davison.  
Scissor Grinder Man's Soul—Verle Black.

Woman—Mary Bishop.  
Woman's Soul—Vera Wardner.

At the close of this play, Bernice Holback, violin, and Lalla Skinner, organ, played with beautiful effect, "Le Deluge," by C. Saint-Saens.

The program closed with a pretty colonial play, "Two Candlesticks and a Fan." Betty Frazer played the part of Nancy, the colonial lady, while Jeanette Harper and Isabel Woodman were her two suitors.

After this program every one was invited out on the front campus and with a short ceremony, the class of '21 turned the "senior perch" over to the seniors of next year. Isabel Woodman, president of senior class gave the steps to the new class and Mildred Mayes accepted them as president of the class of '22.

After these exercises the various societies of the college held receptions in the society halls. Many former members were present.

J. C. Smith of the northwest part of the county made the city a call yesterday.

## I. W. C. BACCALAUREATE SERVICE SUNDAY

Dr. Harker Had "The Uncompleted Task" As Theme for Impressive Sermon.

"The Greater Glory of the Uncompleted Task" was the theme of Dr. J. R. Harker's baccalaureate sermon at Grace M. E. church Sunday morning. A large audience was present for the service. In addition to the regular music, Miss Beatrice Horsburgh gave a violin solo and Mrs. Margaret Forrest sang "The Mighty God Hath Spoken."

Dr. Harker took as his text, "These all died in faith, not having received the promises, but having greeted them from afar." Hebrews 11:13. His address is given below:

**The Purpose of a College**

A college is not an institution apart from life, or different from life. We often think of it as a preparation for life, but it is more than that—it is life itself. The purpose of a college cannot be better expressed, I think, than in some such ways as this—a college is a place where we take capable youth, as yet undeveloped, unaware of their capabilities, without purpose or plan in life, and reveal them to themselves, where we help them catch the vision, and hear the voice of God calling, where we lead them to consecrate themselves to obedience, and where we prepare them in their turn to inspire others to like obedience. Surely this is worth while. A college that succeeds to any appreciable degree in thus developing capable youth is worth a hundred fold all that can ever be given to it.

**Scholarship Never Fully Attained**  
In your college course we have been always anxious that you should secure the very highest possible scholarship, so that you may be able to enter with appreciation into every human relation, and be more efficient in any human service you may have opportunity to render. We hope, however, that in the realm of scholarship no matter how high your attainments, you will never think that you have finished. You may always say with Paul, "Not as though I have already attained, but I follow after."

**Communion With God Essential**

But we have been more anxious that you should know the deeper truth that character is infinitely beyond scholarship; that the highest character expresses itself in helpful service; and that the most helpful service is possible only through communion with the divine. Intimate personal communion with God is absolutely essential to the highest reaches of your lives.

God is in your lives exactly as He is in the lives of the men and women of the Bible. He reveals Himself to you and me, and calls you and me, just as he called them. When the record of our lives is written here as men write biography, they will say that in certain crises of our lives we decided to go here or there, to do this or that, to attain a certain college, or begin a certain task. But if our lives were written from the divine side as in the Bible, it would be shown that at certain times God spoke to us, that he suggested that we go here or there, that He set us at our work, that we too have had our visions, and have been equally "called" as were men and women in the olden time.

Count it your highest privilege thus to be under divine control. Enter into no life relation without the assurance that it is His will. With such a guiding rule of life, you will be doubly efficient in whatever work you engage, for you will know that your times are in His hands, and that your work is His business, and that you need not be overly anxious about the outcome, only to be sure that you are "faithful."

**Life's Greater Tasks Seldom Completed**

I especially want you to remember that very few of God's most faithful children have been permitted actually to see the successful ending of their work. They have all "died in faith, not having received the promises, but having greeted them afar off." We to must be willing to walk the same way of faith. We may not insist on the actual realization of our visions, or on the full accomplishment of our tasks.

The faithful service is ours, not its ultimate completion. Ours is the spirit of work to the end, saying with Livingstone, "Anywhere, so it be forward." Ours is the prayer of the Psalmist, "Let Thy work appear unto Thy servant and Thy glory unto his children." Ours to find our joy, not in the completed task, but in His continued favor and daily approval; ours to have the spirit of Paul, and to say after years of service and the work still uncompleted, not to say it with complaining, but to sing it as a glad refrain, "Not as though I had attained, but I follow after. Count it all joy, therefore, if you are called to labor in a task large enough not to be completed in a single life.

**The Team Work of the Generations**  
The worth while tasks are those that require the longer time for their completion. Your education, if it is really adequate, can never be finished. You may reach certain stages as the end of the grades, graduation from High School, the end of the college course; but these ends are only the beginnings of higher stages, or your education has not really been worth while.

This is especially true of all tasks of social or community betterment, and the usher in the Kingdom of God on the earth. God's plans are not temporary, but continuous, unfolding from generation to generation. Our fathers took up the task, and carried it on as God gave them vision and opportunity. We took it up where

they left off and have advanced it to the best of our ability.

Now comes your turn. Do not shrink from taking up the unfinished tasks of the generation before you, but rather be glad to swing into the line whenever opportunity comes. Others have labored. You enter into their labors. See to it that you carry the work forward. Watch to catch the torch that comes to you from falling hands. Make the homes purer and more beautiful, the community life more sanitary, cleaner and more helpful than it was made for you. You have had the advantage of schools and colleges and churches established and maintained by others. Be sure that you catch these torches of knowledge and inspiration as they fall from our hands, and that you carry them farther, and make them shine with more radiant light than we have done.

We are very conscious that we have not attained, much as we have followed after. And we ask you still more to listen to God's voice, to take up the work that we have begun, and carry it forward, nearer to its ultimate completion.

My prayer is that your eyes may be open, that your ears may hear, that your lives may be consecrated to obedience, and that you may always be "faithful." He is faithful who has called us, and if we always commit our way unto Him, and trust in Him, He will surely bring it to pass.

**Ultimate Victory Assured**  
For it is God's plan and purpose, by Vision, by Call, by Consecrated Obedience, by the Way of the Cross, and apparent failure, to bring us all at last to Ultimate Victory.

This Ultimate Victory will come to us individually, not in the completion of the task in which we are engaged, but in the perfection of our individual character, through the faithful performance of daily duties, until we are each brought to the "Perfect man, to the measure of the fullness of the stature of Jesus Christ."

And this Ultimate Victory will come finally for the world, by the gradual perfecting of plans which stretch from life to life, each generation joyously contributing to the task which always for them remains unfinished, not having received the promises, but always in faith greeting them from afar, until at last shall appear the Ideal Community, the long looked for City of God.

**TITLE FOR ILLINOIS**

Defeat Michigan Thus Breaking Tie Between That Team and Illinois—Final Score is 7 to 6.

MADISON, Wis., June 6.—Illinois became the Western baseball champions when Wisconsin defeated Michigan today 7 to 6.

The defeat left the Wolverines half a game behind the Illinois with whom they had been tied for the lead.

The contest was exceptionally hard fought and at time rivalled the 18 inning game between the two teams last week.

Michigan went into the lead in the first inning thru a home run by Shackleford and again in the sixth thru errors by Wisconsin and a home run by Karpus with two men on bases.

Michigan then began playing loose ball and Wisconsin profiting by every error, finally pulled into a one run lead which was held.

Paddock, Wisconsin pitcher was the star. He scored two runs and while hit freely at the start, tightened at the end and fanned five men in the last two innings. His strikeouts totalled seven.

The final score of the game for Wisconsin came on a home run by Williams.

The game assured Wisconsin of third place in the conference, although they have one more game to play—with Purdue tomorrow.

The standing of the three lead-follow:

**HOSPITAL PATIENTS**

Alderman Ehnie of the public health department has been asked to caution automobile drivers who approach East State street from Hardin avenue after nightfall. The lights from cars unless dimmed are thrown into several rooms at Passavant hospital and in a number of instances patients have been so much disturbed that relapses have occurred. People driving toward the hospital on Hardin avenue are therefore requested to dim their lights and this favor will be greatly appreciated by the hospital authorities and the patients.

Dr. and Mrs. H. A. Griswold, son and daughter, have returned from an automobile trip to Quincy. They spent several days there at the home of Mr. and Mrs. George H. Wilson.

## MISS GRUBEL WEDS MR. MEYER AT SHELTON

Marriage of Two Members of the Faculty of School for Blind Solemized Monday Afternoon.

Miss Mabel Grubel of Sheldon, Ill., and Frederick A. Meyer of Chicago, both members of the faculty of the State School for the Blind, were married Monday afternoon at the home of the bride's parents in Sheldon. The ceremony was performed by the Presbyterian minister of that city.

A number of Jacksonville people were guests at this pretty home wedding. The wedding music was furnished by Edmund Munger and Mrs. Kitch of the Conservatory of Music and Miss Lorene Dewese also of this city.

Mr. and Mrs. Meyer will tour the central states in Chautauqua work this summer and will be at home in Jacksonville next fall, with the opening of the School for the Blind.

Both Mr. and Mrs. Meyer are well known here, having lived in the city several years. The bride has taught at the State School a number of years and made her home with Mrs. C. H. Smith on Westminster street. Mr. Meyer is a musician of note, the leader of the orchestra at the school and a very popular member of the faculty. They have the good wishes of their many friends.

Among the Jacksonville people who were wedding guests were Mr. and Mrs. R. W. Woolston, Miss Alice Mathis, Mrs. James, Mr. Rodenburg of the faculty of the Blind, Miss Dewese and Mr. Munger and Mr. Kitch.

Champion Does Not Box, However—Receives Blow Over Left Eye Which Stops Work.

Atlantic City, N. J., June 6.—Altho Jack Dempsey did not box today, a crowd of about 200 spectators, half of whom were women, paid a dollar apiece to get a close-up view of the champion going thru his routine training program.

Dempsey worked out in the cool of the big hanger of his camp instead of the outdoor arena.

A gash over the left eye which had to be stitched by a physician after yesterday's workout forced the champion to eliminate all boxing from his training stunts. The wound will be permitted to entirely heal before work with the gloves is resumed.

Dempsey had a satisfactory work out even without boxing. He opened up by punching the bag for three rounds of three minutes each with only a rest of 30 seconds between rounds. He shadow boxed for three rounds, constantly hooking at an imaginary foe with his left hand.

After this he maulled the heavy sand bag for nine minutes and finished with some bending exercises.

In the morning Dempsey went on the road for a six mile hike, returning an hour later for a brisk rub down and breakfast.

## BOYS MEET DEATH IN LURTON POND

Roy and Percy Wood Are Drowned While Wading Sunday Afternoon—Coroner Rose Held Inquest.

Roy Wood, aged 14 years, and Percy Wood, aged 12 years, were drowned in the pond on the old Lurton homestead, one and one-half miles east of the city about 1:30 o'clock Sunday afternoon.

Coroner Rose was notified of the tragedy and empaneled a jury and held an inquest at the Cody undertaking parlors Monday afternoon. The jury was composed of John M. Carroll, foreman; Claude H. Frye, clerk; E. M. Henderson, H. L. Cully, John Lair and A. L. Taylor. The jury after hearing the evidence returned a verdict of accidental drowning.

The boys, sons of Mr. and Mrs. Roy Wood, 1017 East State street went to the Lurton pond Sunday. They entered the water and were warned by Earl Smith and Harold Hyde who were fishing near by, to be careful.

There is a ditch running thru the pond and the boys stepped off into this ditch and being unable to swim went under. Neither Hyde nor Smith could swim and they hastened to give the alarm. Henry Smith, James Lindsay, and Norman Alabaugh responded and Lindsay soon recovered the bodies.

Word was sent to the police department and the lungmotor was taken to the scene. Dr. Rowe also was summoned and every effort was made to resuscitate the boys. The lungmotor was used for over an hour but the efforts of the workers were unavailing.

The coroner's jury heard the testimony of Dr. Rowe, James Lindsay, N. H. Aulbaugh, Earl Smith and Harold Hyde and the verdict as rendered was in accordance with the facts as brought out.

The bodies were removed to the undertaking parlors of Arthur G. Cody and prepared for burial. Funeral services will be held from the undertaking rooms of Arthur G. Cody at 2:30 o'clock this afternoon in charge of Rev. D. V. Gowsdy. Burial in Jacksonville cemetery.

**"THE PIKE'S PEAK ROAD"**

Monday morning an auto tourist stopped the Old Settler to know "the road to Pike's Peak."

The traveler who was accompanied by his wife was from Trenary, Mich., having begun the automobile trip at Ft. Wayne, Ind.

The autoists were Mr. and Mrs. C. A. Clark, and they were bound to Oroville, Cal. The "Pike's Peak road" in this region proved to be the Chapin and Bluffs route and the Old Settler wished them good speed.

Mrs. Virden Wagstaff of Murrayville was a shopper with Jacksonville merchants yesterday.

### CARPENTIER SHOWS PUNCH ON JEANETTE

Right Hand Punch to Jaw Puts Big Negro on His Back—Frenchman Will Work in Secret from Now Until Fight.

Manhasset, N. Y., June 6.—Georges Carpentier's flying right hand punch felled ponderous Joe Jeanette in the first round of a two round sparring session today. The knockdown blow was landed after half minute of fighting. Carpentier for the first time since he started training unleashed all his speed.

After infighting with Jeanette Georges stood off and began beating a tattoo on the big negro's jaw and body. Then he jabbed Joe on the chin, crossed with the right and Jeanette's feet went from under him and he fell heavily on his back.

Carpentier motioned to photographers not to develop the picture they had snapped and then assisted Jeanette to his feet. They worked lightly for the rest of the round. Carpentier then called Jeanette for one round and Jeanette came back for another session later.

This morning Georges spent his usual two hours in the woods.

Trainer Gus Wilson announced that hereafter Georges would appear for newspapermen only on Mondays and Thursdays. "Carpentier," he said, "has started a series of workouts and wants secrecy."

### ST. LOUIS WINS

FROM NEW YORK  
New York, June 6.—St. Louis defeated New York 5 to 1 today in one of the highest hitting contests of the local season. Davis of the Browns was lid, twice filling the bases with passes. Collins of the Yankees also pitched well, but a batter hit and a wild pitch figured in the runs scored off him.

### INDEES HIT BALL HARD; DEFEAT DAWSON

Locals Find Batting Eyes and Win Decisive Victory—Boggs Pitched Good Ball for Dawson Despite Loss of Game.

The Indees showing a reversal of form over that displayed in their recent games and also a recovery of the old batting eye, defeated the Dawson team at South Side park Sunday afternoon by a score of 9 to 4.

The victory came after it began to look as though the locals were in for another defeat. The Indees broke the ice first and scored a run in the first on two solid blows and a stolen base.

However, the visitors soon tied the score and then took the lead. They maintained it until the seventh when four safeties and some errors on the part of the visitors put the game on ice.

How the Runs Were Made.  
The run in the first came thru Denney's single, steal of second and Ruble's safety.

Neither team scored then until the fourth when a scratch triple and a single allowed the visitors to tie the score.

Dawson took the lead in the fifth on C. Boggs' triple and a fielder's choice. Another came in the sixth on two singles and a fielder's choice.

The locals were unable to get another counter until the sixth. Then doubles by Hamm and Denney gave them one run.

It was in the seventh that the game was put on ice. Then a walk to Ferreria with one down, singles by Wheeler, Ruble and DeFrates, Denney's double and several errors gave them six runs. The last local run came in the eighth when DeFrates poled a drive into the wheat field and made the circuit when the fielder was unable to find the ball.

Dawson made her last run in the ninth on an error, a stolen base on two fielders' choices.

SEED CORN—We have had a wonderful season at Mason City this year for maturing seed corn with the result that we have the finest lot of well dried 1920 crop of seed corn that we have ever grown. This corn is gathered early in the fall and placed on drying racks where it is slowly dried down to twelve or fourteen per cent moisture content. This gives corn of very high vitality. We have been in the seed corn business in a large way for over thirty years and have the largest and best equipped drying plant in the world. Our down town plant is in the center of Mason City, right on the hard road between Springfield and Peoria. It is well worth a trip to Mason City to see this corn. Price is only \$3.50 per bushel. Write for beautifully illustrated catalogue. Box 44. W. T. Alsworth & Sons, Mason City, Illinois. 6-5-2t

## Daily Market Report

### WHEAT AVERAGED LOWER IN PRICE

By Associated Press.

CHICAGO, June 6.—Wheat averaged lower in price today chiefly owing to depression of foreign exchange. The close was unsettled at 1½¢ net decline to 1¢ advance with July \$1.30 to \$1.30½ and September \$1.16½ to \$1.16½.

Corn gained ¼¢ to ½¢, oats lost ¼¢ to ¾¢ and provisions finished unchanged to 30¢ lower.

Unsettling effects of the break in foreign exchange rates was apparent throughout the day. The wheat market also rallied took place shortly after the opening and just before the close. The first upturn was due to liberal buying on the part of a big firm that was in receipt of bullish crop from Nebraska. Crop reports from Kansas and Oklahoma, however, were bearish and the market turned downward again influenced by assertions that foreign buyers were trying to re-sell and that fresh export business was very slow. On the other hand word became current near the close of the session that 500,000 bushels had been sold for shipment to Europe. This news led to something of a bulge in the last fifteen minutes but failed to wipe out entirely the nervousness due to the flurry in exchange.

Decrease of the visible supply to less than 9,000,000 bushels attracted but little notice. Spreaders sold July and bought September. Despite big receipts corn was firm as a result of smallness of rural offerings. Favorable crop reports eased the oats market.

Provisions tended to sag in line with hog values.

### MANNY ISSUES SUFFER LOSSES

By Associated Press.

NEW YORK, June 6.—Recent reactionary movements in the stock market became more pronounced today. Shares of recognized intrinsic value notably investment rails suffered extreme losses of 1 to 3 points and speculative issues fell 2 to 6 points. Sales amounted to 725,000 shares.

Week-end developments failed to warrant any change in the technical position of professional traders. Foreign exchange became acutely weak on adverse reports of the British industrial situation. Unsettling incidents included another cut in refined sugars, a sharp reduction in the Chandler Motors dividend and lower domestic and export prices for newspaper paper.

The money market was firmer. Call loans did not rise above the initial quotation of 7½ per cent but local banks found it necessary to engage in moderate withdrawal of time loans.

Liberty bonds and victory notes recorded variable recessions.

### CORN STALKS GOOD FOR CORN LAND

Charles A. Rowe, who is an interested student of agricultural problems, has been greatly interested this year in corn field conditions where stalks have been plowed under. In one of Mr. Rowe's fields he recently unearthed a piece of cornstalk about two feet in length. It had been located several inches below the surface of the earth and when uncovered was quite well saturated with water. This was the condition after several weeks had passed without rain and corn in some fields was beginning to show the effects of the drought. Mr. Rowe believes that corn-

stalks cut and plowed under early in the spring are really beneficial for the farm crops and help to conserve moisture. Some farmers do not take this view and think that cornstalks plowed under really rob the soil of moisture instead of conserving it. It is Mr. Rowe's belief that this may be true of the cornstalks if they are not plowed under early and he therefore advocates the plan of cutting the stalks and getting them under ground very early in the spring.

Charles Rogers and family of Joy Prairie came to the city yesterday.

## BOARD OF EDUCATION IN REGULAR SESSION

Spend Some Time Discussing Installation of Cafeteria—Claims Also Approved and Ordered Paid.

The board of education met last night and devoted a great deal of time to discussing various matters without coming to a conclusion in several. A letter from John Wolke, expert, regarding building was read, two teachers to replace two who resigned were employed, the superintendent and committee were authorized to fill vacancies that might occur, various bills were discussed and the matter of a cafeteria was discussed at length but no decision reached. The proceedings:

The board met in regular session, all present except Members Metcalf, Muehlhausen, Rapp and Rogers. President Lippincott in the chair.

Pay roll, \$11,920, and bills, \$1,621.57 were ordered paid.

A letter from John Wolke was read. He had been employed as an expert to examine carefully the building and compare the work with the plans and specifications and with two minor exceptions he found everything all right and said the board was to be congratulated on having a building of such fine quality and constructed so nearly in accord with the plans and specifications.

In the absence of Member Rogers, chairman of the finance committee, Member Black was authorized to act.

The building and grounds committee reported inspection had found boilers in good condition. Necessary work on various buildings was mentioned and suggestions regarding same were made.

A great deal of time was devoted to discussing various bills and looking over certain items. The boiler question in the high school plant again came in for much discussion.

The superintendent recommended Miss Elsie Shelah for high school English teacher vice Miss Gregory, resigned. Adopted. Miss Doris Linderman was employed junior high school stenographer vice Miss Robertine DeFrates, resigned.

The superintendent said several other teachers reported employed might not sign up and the teachers and course of study committee were authorized to fill vacancies within the budget. A long time was devoted to discussing the matter of a cafeteria but no decision reached. Adjourned.

## DAWSON PITCHER MEETS WITH ACCIDENT

Charles Boggs, pitcher for the Dawson baseball team which played the Indians here Sunday suffered painful injuries Sunday afternoon when he was run over by an automobile in South Main street.

Boggs was riding in after the game and was sitting on the fender of an automobile. The car turned suddenly to avoid another car and Boggs was thrown to the pavement, a car following behind running over his legs and arms.

The injured man was taken to the office of Dr. C. C. Cochran where he was given attention. Examination revealed cuts on the left leg and he also suffered cuts and bruises on other parts of his body.

Boggs is an overseas veteran and was wounded in battle and his right leg is pieced together. However, despite this handicap, he is an excellent pitcher and gets about as well as most people with two good legs. He has made many friends in the two games he has pitched here and it is to be hoped that his injuries will not result seriously.

## AMERICAN LEGION ATTENTION

## MATRIMONIAL

Keister-Mappin.

Henry A. Keister of Meredosia and Miss Lela N. Mappin of Naples were united in marriage at the court house Monday by Justice of the Peace Opperman. The young people will reside in the Meredosia community.

Siefken-DeFrates. Miss Lennie DeFrates, daughter of Mr. and Mrs. James DeFrates, and George W. Siefkin, son of Mrs. Anna Siefkin of East Moline, were married at 11 a. m., June 2 at the parsonage of the Moline Christian church, the Rev. W. B. Slater officiating. Miss Anna Siefkin attended as bridesmaid and Oral DeFrates served as best man.

The bride wore a pretty dress of dark blue and gray Canton crepe with a hat to correspond and her flowers were a corsage bouquet of white roses. Miss Siefkin's dress was of dark blue taffeta and her flowers were red roses in corsage effect.

Mr. and Mrs. Siefkin departed immediately following the ceremony for a honeymoon trip, destination of which is being kept a secret. They will be away about two weeks and on their return will take up their abode for the summer in a cottage on Rock river. Mrs. Siefkin has been employed by the Woolworth Company in Moline for several years, having had charge of the music department. She was recently transferred to the office Mr. Siefkin is manager of the Moline Flour and Feed company.

Mrs. Siefkin was formerly of Jacksonville, having gone to Moline seven years ago.

## BIRTHDAY CELEBRATION AT JOY PRAIRIE HOME

Sunday was the birthday anniversary of Mrs. Edward Standley of Joy Prairie and the day was most pleasantly celebrated. A number of friends and relatives of Mr. and Mrs. Standley went to their home Sunday morning and spent the day with them. At the noon hour a beautiful dinner was served on the lawn and several hours afterward were spent in a pleasant social way.

Among those present were Mr. and Mrs. Richard Standley and children, Beatrice, Eugene and Marvin; Mr. and Mrs. Herbert Chaffin and sons, Rudolph and Sam; Mr. and Mrs. Guy McFadden and children, Frances and John Jacob; Mr. and Mrs. Howard McFadden, Mr. and Mrs. John McFadden, Mr. and Mrs. Edward Ater and daughters, Rena and Hettie; Mr. and Mrs. James Johnson, Mr. and Mrs. Lloyd Standley, Mr. and Mrs. Walter Beddingfield, Mr. and Mrs. Carl Beddingfield and children, Charles, Faye, Harold, Alberta and Junior; Mrs. Plank and daughters, Lorena and Glenna; Mr. and Mrs. D. L. Vorhees and son Sam and daughter Alma; Arthur Kershaw, James and Nellie O'Neil, Sam Woods and Charles Standley.

When the guests departed late in the afternoon it was with the hope that Mrs. Standley may have many more such happy anniversaries.

## CITY COUNCIL HAD ROUTINE BUSINESS

Reports of Officers for the Past Month Made—Merchants Urged to Keep Alleys Clean—Water Receipts Increase.

At the session of the city council Monday night the roll call showed present Mayor Crabtree, Aldermen Flynn, McGinnis, Rowe, Cain, Loneragan, Chapin and Ehline with J. E. Scott, clerk. The business transacted was largely routine in character. An ordinance was given a first reading changing the rates for scavenger work. An ordinance was also introduced for the improvement of the Edgmon street sewer, indicating that this work will cost \$696. A communication was read from Patrick Sheehan, with reference to the issuance of a plumber's license. This matter was referred to Mayor Crabtree for investigation.

P. J. White, street commissioner, reported about 22 miles of earth street graded and ready for paving. Mr. White mentioned special work that has been done in cleaning all the alleys in the business district, and asked that the merchants co-operate in keeping these alleys in a clean and sanitary condition. He said that without such aid it is practically impossible to keep the alleys clean.

Alderman Ehline reported a conference he had with city scavengers and their agreement as to the terms for an ordinance. Alderman Loneragan said that something should be done about providing water main extensions and suggested that a public meeting for the consideration of this subject be held soon by the council. It was decided to follow this suggestion. The contract for building concrete intersections was awarded to Simeon Fernandes & Son, their bid being the lowest received. The reports of officers were read and approved.

### Officers' Reports

J. E. Scott, city clerk, reported receipts thru his office, \$59,906; from Jacksonville cemetery, \$392.45; from Diamond Grove cemetery, \$874.70. According to the report of Harry Summers, sexton of Diamond Grove cemetery, 13 graves were made there last month, and John Pires, sexton of Jacksonville cemetery, reported 10 graves made.

The report of A. B. Opperman, justice of the peace, showed fines collected amounting to \$114; city costs, \$22.90, and J. P. costs, \$1.10. The report of A. M. King, health warden, showed number of death in the city 24, in addition to 23 at the Jacksonville State hospital. The range of ages was under one, 1; one to five, 1; five to twenty, 1; twenty to thirty, 1; thirty to fifty, 7; fifty to seventy, 24; over seventy, 14. The report of contagious diseases was chicken pox, 1; diphtheria, 1; erysipelas, 5; measles, 6; scarlet fever, 5, and whooping cough, 14.

H. K. Chenoweth, city treasurer, reported balance in the general fund of \$7,980.56.

Frank Kiloran, chief of police, reported number of arrests made, 34, with fines collected, \$208. The report of W. H. Cobb, water superintendent, showed collections of \$4,498.17. The receipts this month were about \$1100 greater than for the same month last year.

After the regular session of the council an hour was spent in the consideration of city finances. The amount raised from general taxation this year will be from \$12,000 to \$15,000 less than it was last year. Some additions are needed at the power and filtration plant to put it into the highest state of efficiency. The original plan did not contemplate storage but these considerations are advisable from an operation and economy standpoint. However, it is not now the intention to do any extra work at the plant, as the funds are not available.

## AMERICAN LEGION ATTENTION

Regular business meeting tonight at Court House at 7:30 o'clock.

### EXPRESSES APPRECIATION

I am profoundly grateful to the people of this district for the loyalty shown me yesterday and I shall ever be grateful of my obligation to the people in the discharge of my duty. It is a great privilege to be permitted to continue my service with the able and distinguished jurists who have long honored our supreme court. My greatest ambition is to merit the confidence placed in me.

FLOYD E. THOMPSON

### MARRIED AND GONE WEST

Yesterday at 8 p. m. Russell Thorn and Miss Vivian Spaen-hower were quietly married at Waverly and later came to the city to take the Chicago & Alton noon train for their destination in Arizona. Mr. Thorn was in the world war and was gassed and is at a soldiers' sanitarium in Arizona for his health. He came to Illinois to claim his bride and the train left for the retreat again carrying with them the ardent wishes of many friends for the gentleman's complete recovery.

Miss Betty Ames, who is enroute from New York to China, arrived in Jacksonville yesterday, and is a guest at the home of her aunt and uncle, Dr. and Mrs. J. G. Ames on Mound avenue. Dr. Ames and his daughter, Miss Isabel, who have been in the east, returned last night.

Friends of Rev. E. L. Fletcher will regret to learn of that gentleman's illness which is not yet of a serious nature and the hope is that it will soon be over.

Aubrey Hamilton was one of the city arrivals from Roodhouse yesterday.

### GRACE CHURCH

#### SUNDAY SCHOOL

The singing and music were fine. The nice weather was favorable to a very satisfactory attendance at the beginning of the vacation period when people are a little unsettled. A real surprise was in store when the pastor, Rev. T. H. Tull, asked permission to make an announcement and in a few appropriate words presented the Superintendent T. V. Hopper with a check of sufficient size to pay his expenses to the Methodist summer Sunday school institute to be held at Evanston, June 17 to 25. This amount had been raised among the members of the school evidencing a desire to keep Grace Sunday school up to date in its working methods. The birthday Centenary offering amounted to \$49.27 and the attendance was 276.

The week's activities are as follows: Tuesday evening the Scout Troop No. 7 will meet.

### Wednesday evening the weekly prayer service.

Thursday evening the regular bi-weekly recreational night will be observed. The Young People of the church and congregation are asked to meet at the church at 6 o'clock with their lunches. Automobile transportation will be provided to the picnic grounds.

Woodman Accident Co., Lincoln, Neb.

Mr. Thompson you for the prompt settlement of my claim. Any one wishing accident insurance, I recommend the Woodman Accident Co., of Lincoln, Neb.

### CHINCH BUGS NOW

#### MENACE TO CROPS

To add to the worry of Morgan county farmers chinch bugs are now appearing in force. A number of farmers have reported that the bugs are damaging their young corn. But the insects are appearing in greatest numbers in wheat fields and Saturday there were two or three reports of chinch bugs in fields of oats.

Ordinarily their ravages are confined to wheat and corn. However, by concerted action many farmers hope to prevent serious damage being done to their crops. There is the further chance also that the bugs may not be nearly as bad as present conditions indicate.

It has often happened in past years that the early reports have been unintentionally exaggerated and that the damage done has not measured up to expectations.

Mr. and Mrs. J. A. Stice and son Morris of Altamont, visited yesterday with Mr. and Mrs. L. B. Turner of north Prairie street.
